Foreword

As the school year passes, we pause to catch a final glimpse of everything we have done. Our classmates, our friends, and our teachers have all played an important part in making this year one to remember. We, The Staff, take pleasure in presenting...

Our Friend

We Honor

. . .One whom we have come to know and love as a most trusting person, generous to a fault, brilliant, and yet extremely patient. She is the first person who comes to mind when we need a chaperone for a dance or game. She never lets us down. Her sweet little way has endeared her to students, alumni, and faculty. A scholar, a teacher, a "Star-gazer," a lover of music, literature, and poetry, she is the woman to whom we dedicate our yearbook. . .

Lois Payne

At Stanford.

As we scan the records of her accomplishments, we discover that she was Salutatorian of her high school class at St. Helens, and graduated Magna Cum Laude from Pacific University.

She studied Greek and anthropology in addition to her regular subjects and maintained an "A" average. She received her M. A. degree at Stanford, from where she wrote her thesis on Northwest Indians. She was elected to the Stanford chapter of Pi Lambda Theta, national honor society.

She began her teaching career in Kelso.

A fresh carnation lei flown from Hawaii, one of her favorite places.

Many interests are reflected in her classroom.

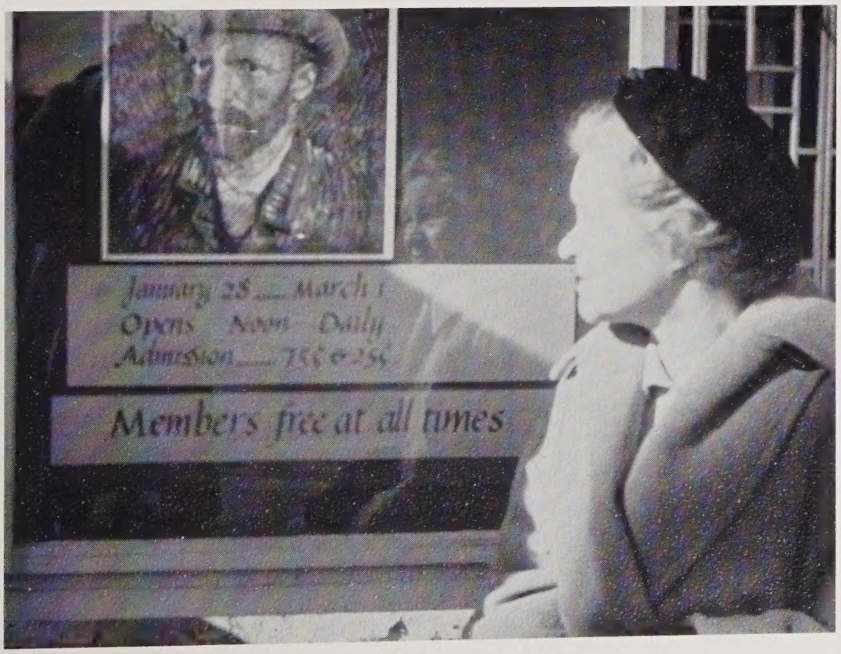
Our Teacher

Dedicated to the teaching profession, Miss Lois Payne, is tireless in her efforts to create a love for literature among her students.

Besides teaching English all day, she spends hours and hours directing class plays.

In spite of her busy schedule, she finds time to keep in contact with former students, who remember her with appreciation.

Miss Payne is also active in community life, PTA, and other civic affairs.



Admiring the works of Van Gogh.

Advisor of the Ida-ka-tawaski Club.

Our Superintendent

Richard B. Knotts, beloved by students and faculty alike, does his best to solve our problems and maintain high scholastic standards.

After many trials and tribulations, "Father's Been to Mars" was put on to a full house and acclaimed a very successful production. Homecoming resulted in a well attended parade made up of energetic serpentiners representing all the classes and ending up at the bonfire where everyone participated with enthusiastic cheering.

The Juniors, with the capable help of their advisors Mrs. Gibson and Mr. Greenlee, assisted in the National Cancer Drive for their contribution to community work.

Senior Ball

To the breezy theme of Silver Bells, we danced beneath boughs of cedar adorned with silver snow.

Reigning over the enchanting festivities were Carolyn Kunkler and Grant Ely, Belle and Beau of the Ball.

"Imp" hasizing this gay affair were tiny Anne Shultz and Danny Joe Nichols, bearers of the crowns and gifts.

Appreciation was expressed to the class advisors and Mr. Knotts for co-operation through gifts presented by Senior class president, James Scott.

The Seniors and their ingenuity inspired an evening that will always be remembered for its originality.

Senior Play

"Paper Plates for Papa"

Drama has always played an important role in the history of Warrenton High School. Class plays are well received by the community.

This year has been no exception. The Seniors chose "Paper Plates for Papa," by Kurtz Gordon, Bakers Plays, Denver, Colorado, as their spring production.

The above picture shows the turmoil of first day tryouts.

Under the direction of Miss Lois Payne, all agreed that the play was a success.

Concert Band

Our Concert Band has improved every year; and has now blossomed into a wonderful sounding group. The winter concert was a thrilling performance.

We are very proud of our leader Mr. Langen, and our "little band with the big sound."

Our school is indeed fortunate to have a fine Dance Band. To the theme "My Heart Sings," the Chief Tones gave their first performance of the year at the annual Pep Club Dance.

The main performance of the Mixed Choir was the Christmas Cantata, "Carols of Christmas." It was given three times this year; once for the public, as well as for the grade school and high school.

Mrs. Langen, the director, is most generous in contributing toward the musical programs of our school. Besides singing at the Thanksgiving assembly, the Mixed Choir will give a Spring Concert, and sing for graduation.

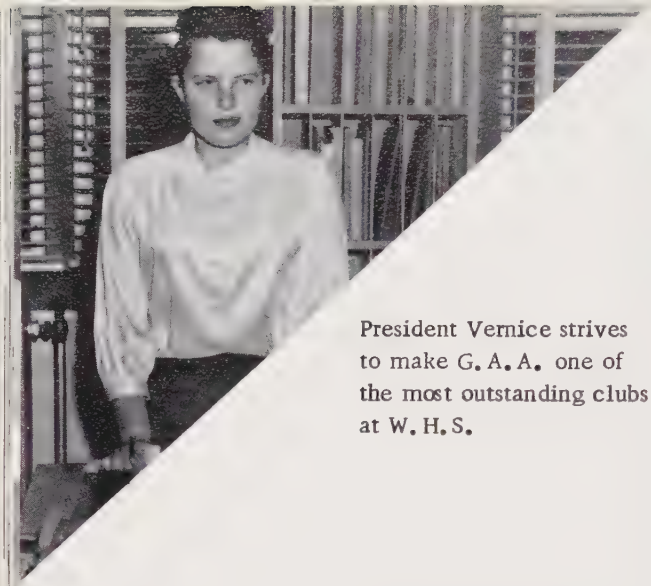
"Go, Go, Go -- Centennial" was the theme of the Girls' League main activity which was climaxed with the Centennial Tea. Sponsored jointly with the P. T. A., both girls and mothers came dressed representing the early pioneers.

Other activities promoted by Girls' League were: King Turkey Contest, Decorating for the Christmas holidays, and selecting girls of the month for 1958-59. Big and little sis letters added much to friendship and a feeling of companionship.



President Vernice strives to make G. A. A. one of the most outstanding clubs at W. H. S.

Improving their skills in bowling and volleyball was one of the aims of the G. A. A. this year.

"Smoke gets in your Eyes" was the theme for the G. A. A. dance.

Mrs. Hatcher, the advisor, has a sense of humor which makes her a favorite with the girls.

Warriors get set to stop rush on Neah-Kah-Nie Pirates.

A short rest between plays in the hard fought game with Nea-Kah-Nie.

SEASON REPORT

Coach Leon Taylor's eager and determined Warriors placed fifth in the newly formed nine team Cowapa League. The Warriors won five games and lost three in league action and also dropped their only non-league game to Ilwaco.

Seniors leaving the line-up are Bud Yardley, Ron Teague, Bill Berg, Ron Miller, Larry Rogers, and Larry Jones. Each was on the starting line-up this year and it will be a hard job replacing them. Knowing Coach Taylor though, the Warriors will be nobody's pushover next year.

All this adds up to a fine year of football for Warrenton High.

Coach Taylor with Co-captains, Bud Yardley and Ron Teague. Darrell Greenlee is assistant coach.

* DENOTES LEAGUE GAMES

SEASON REPORT

Coach Darrell Greenlee's Warriors had their ups and downs in the 1958-1959 season. The team scored seven wins and fifteen losses for the year. Several games were lost by very small margins. Captain Jim Corkill, Bud Yardley, Dave Searle, and Larry Rogers will graduate this year and it will be a big job trying to replace them. Considering that we are the smallest school in our league, we have done a creditable job against our bigger opponents.

BASEBALL REPORT

Coach Taylor, who is an ardent baseball fan, has also this year a group of eager ball players. Last year's record was 9 wins and 5 losses. The coach is confident that 1959 will be a record year.

COACH DARRELL GREENLEE TAKES A LOOK AHEAD

Track, although not considered a major sport at Warrenton, is gaining in popularity every year. The fine team of 1958 mostly gone due to graduation leaves a team with the majority Freshmen and Sophomores. The team this year will be stronger in the middle distance department. Roy Stilwell and Gale Plummer will probably be the leading point makers.

WHS at Work

SHOP

Cedar chests, coffee tables, water skis, and a lot of other beautiful woodwork are produced from the shop each year, where the boys are taught the arts of being a handy husband.

BUSINESS DEPARTMENT

Our business department, is known for the quality of students turned out every year. The famous sayings and quotations that appear on boards, often cause students to stop and think twice.

MATHEMATICS

Imagination and brains work together to create geometry projects such as these to decorate the math room every year.

SCIENCE DEPARTMENT

Disecting, combining chemicals, and filling the halls with strange aromas, are only a few of the activities that go on in the science department.

HOME ECONOMICS

Cooking and serving foreign foods was one of the highlights of the Home Ec Department.

Centennial Memories

TEENAGE TRIBUTE

Oh Oregon - with your mighty trees so tall
With your rivers, your lakes so blue
In this year of your 100th birthday
We pay tribute to you.

With the Blue Pacific beating on your shores
And in the fury of a crashing storm
Many ships wreck upon your beach
and they lie there - so forlorn.

With your rising snow-capped mountains
Looking over your green-rolling plains
Watching sometimes when the sun shines
And then again when it rains.

So hold your proud head high, Oregon
In this your Centennial Year
While we, your faithful people
Cheer you, for the whole world to hear.

an exotic paradise.....

prom creates a moment to remember

The secrecy which shrouded the Junior-Senior Prom and Banquet suddenly burst into reality the evening of May 8 at the John Jacob Astor Hotel. The theme 'An Exotic Paradise', describes it perfectly.

Beautiful butterflies and tropical flowers graced the walls of the ballroom. An orchid tree shaded a bubbling water fountain in one corner while in another was a miniature garden with a path leading to the throne. Here amid applause and congratulations, Judy Matteson and Larry Jones were crowned King and Queen for the evening. Members of the Royal Court were Beverly Herglund, Judy Martin, Dave Searle and Ron Miller. Junior Class President, Kelly Butler, presented leis from Hawaii to the court preceding the coronation.

Immediately before the prom, a friendly, warm atmosphere permeated the banquet where 85 upperclassmen and faculty enioyed a sumptous meal. Jenny Shultz read the will, Pat Pierson the prophecy, Patti Craven the history and Sandi Plyter, a memorandum of the seniors.

Speakers included Richard B. Knotts, school superintendent; James Scott Senior class president; and Kelly Butler, Junior class president.

Greeting the guests on entrance t the ballroom was a flower-fille cart in a French setting with th Eiffel Tower and the Arch de Tri omphe. Gifts were presented to the advisors, Mrs. Gibson and Mr. Greenlee shortly after the intermission.

There is always something wonderful about baccalaureate, Senior skip day, the prom, and finally the night of handing out diplomas. Every Senio of handing out diplomas. Every Senior should be proud and happy to graduate.

Proud, yes, but happy? Some are, but most of the outgoing Seniors don't relish the thought of being out in the world by themselves with no underclassmen to tease and no friendly parties to attend. You never realize how close you can become to the other kids and even the teachers who gave you so much home-work.

The faculty and the remaining students also begin to think of the wonderful moments, some funny - some not so funny, when the Seniors kept the school in a state of constant confusion.

We'll Miss the Seniors (as much as we hate to admit it) and in spite of what they say, we know they're getting school-sick already

Good luck to all the Seniors, and we remaining here at WHS send out best wishes for a life full of joy and happiness to each and every one of you.

GRADUATION, con't.

tion has been slated as the guest Mr. Dee Swindler, chairman of the school board will present diplomas to the Class of '59.

Baccalaureate is scheduled to take place Sunday afternoon, May 24, at 2:30 p.m. Reverend Billy Jackson will be the speaker. Both graduation and baccalaureate services will be held in the grade school auditorium.

CLASS HISTORY

FRESHMEN

Early in September '55, 48 self-important freshmen strutted down the halls of WHS until we met with the stern-eyed veterans of high school life. Then we lost our look of importance and slunk around in groups. The veterans weren't going to bite, but the fear of a forbidden initiation loomed large in the eyes of the '48.

As we became orientated to high school routine, the fears evaporated and the look of arrogance returned. The Halloween Dance was our first activity, then gaining confidence, we seized the right to sell candy at the baseball games. President Janet Miller set the monetary goal for the Freshmen year at $100 and were we ever proud when that amount was cleared with a little extra. Our advisor for the year was Mrs. Mimi Bump.

SOPHOMORES

We started our Sophomore year in September of 1956. The 'Welcome Frosh' Dance was first on the agenda. 'Sunset' was the theme. Cooked food sales and a phonograph raffle provided funds for the treasury. Mr. Ballman and Mrs. Shepherd were the chaperones.

JUNIORS

Our Junior year started with a bang. The first Junior sponsored event on the calendar was the homecoming. A big parade on the night before the game, ended downtown at a big Pep Rally where King Jerry Matteson and Queen Marilyn Ekstrom were crowned. After the game, which we won, was the dance, 'Pigskin Prom'. In November we presented the class play, 'My Little Oscar'. In January, the class sponsored a talent show. This, along with our hamburger and french fries sale, we were able to finance the annual Junior-Senior Prom and banquet. 'Ebb Tide was the theme.

GIRL OF THE YEAR

The Girl's League held a meeting recently to vote on the girl of the year. One quality is not enough to gain this great title for the girl chosen has to be an all around person with an all around personality. In her four years at WHS our girl of the year has definitely proven her worthiness of such an honor.

Betty Nichols, voted Miss Service for December earned the name "Girl of the Year for 1959".

Betty is well liked by everyone at WHS and is a prominent member of the Senior class. She heads the Library Department and the Librarian will be the first to defend her against any contrary statement.

Our girl of the year is not only well liked and always ready with a smile but very attractive too. Long brown hair accents a small face holding the two biggest brown eyes in Warrenton. Betty is 5'4" and full of laughs or tears, depending on how her friends feel.

BOYS' STATE

Kenneth Doney and Edward Weigle will represent WHS this summer at Boys' State in Corvallis. Alternates are; Glen Galusha, Gale Plummer and David Henry. The fourth alternate will be Thor Johnson.

CLASS PROPHECY

SALUTE TO SENIORS

Ken Doney

This years senior class has produced some fine athletes. There are only 14 boys in the class and 11 of them have taken part in at least one sport. These boys combined an unusually good sportsmanlike atti - tude with team spirit and hustle, while performing for WHS. It is too bad Warrenton didn't participate in a league with teams more its size. The past year we could really have gone somewhere in football and basketball if it weren't for the tough competition from many schools twice our enrollment. Still, the football team compiled a good 5-4 record and the basketball team a 7-15 record, which might have been reversed with the help of a little luck. Many games were lost by small margins. At the present time the Warrenton Warriors baseball team have cinched the Western title in the Cowapa League.

BUD YARDLEY is an outstanding athlete. He played hard in 4 sports and won many honors for his ath. letic playing.

LARRY ROGERS has done some fine ball playing for the Warriors. His half position on the football team and left field position will be hard to fill.

JIM CORKILL is undoubtedly one of the finest players to perform at WHS. His tremendous team spirit has made him a leader in most sports.

DAVE SEARLE is one Senior whose hard playing has led the team to victory in many close basketball games. Due to a serious injury he was unable to play football this year.

RON MILLER - playing center field for the baseball team this year for the baseball team this year, Ron's fine catching in the outfield and power hitting have helped win more than one game.

LARRY JONES - His halfback position as well as the more recent backstop

large, bulging suitcase.
JIM LANIER - Newsboy for Smoke Signal.
JUDY MATTESON - First woman President of the U.S.
JAMES CORKILL - Judy's veep.
JAMES SCOTT - Millionaire who sails his mighty yacht up the Skipanon.
PAT PEIRSON - richest woman in the world.

CLASS WILL, cont'd.

I, Rosie Hedman, will my ability to swing through the jungle on African monkey vines and to ride ostriches to Beverly Salmi, who needs to live dangerously once in a while.

I, Vernice Doney, will my unequaled talent for involving myself in confusion to anyone desiring to lead a more interesting life.

I, Jo Conner, will my long hair to anyone after graduation.

I, Patti Craven, will my rides to school to someone else who lives on the bus route.

I, Jim Corkill, will my very hairy legs, which were willed to me, to Don Colby, who already has a good start.

I, Bill Berg, will my three classes to Mr. Ballman, and my curious mind to the oncoming Senior Class.

I, Suzanne Gillette, will my seven years on Vashon Island to Janice Hayes, who has never been there.

I, Pat Peirson, will my Communist Party card to Kathy Farrell, who is one good party member.

I, Judy Matteson, will my ability to blush easily to Elaine Footh.

I, Judy Martin, will my long hair to Faith Woffard, who wants it for a pony tail.

I, Ron Miller, will all my parking places to Glover and Kanto.

I, Don Knotts, will my musical instrument and repertoir of music to Mrs. T.

I, Bud Yardley, will my knife to Chickie Williamson, in hopes that he can make better use of it.

I, Dave Ladd, leave my well-thought plans for cutting classes to someone with more luck than I had.

I, Jim Lanier, will my bicycle with flat tires to JimeGlover, who may find use for it.

I, Jenny Schultz, will my ability to make Seniors willin' to will wills to next years willin' Senior willmaker.

In testimony whereof, we hereby affix our seal and signature on this, the eight day of May, the year one thousand nine hundred and fifty nine.

SENIORS

As the fourth and last year of High School opened in the Fall of '58, we realized how much time we had spent arguing and dissenting, and how much better it would have been if we had stuck together. The Seniors were honored at the Homecoming activities when Jenny Schultz and Bill Berg were chosen to reign as King and Queen over the many festivities. Then on the 19th of December, an end product of sticking together was produced. We successfully held the annual Christmas Ball. Silver Bells was the theme.

The traditional trip to Salem was on April 22. Mrs. Trullinger and Mr. Ballman, our advisors, accompanied us on the trip. Close on the heels of our tour, was the class play, 'Paper Plates for Papa'. This event was climaxed with the drawing for a cedar chest. Now as we complete the last few weeks of school, the future seems closer, but still of a dream-like quality. College, jobs, military service and marriage are all being thought about. What are we going to do? It is a secret held by the future behind a closed door that will open soon.

SALUTE TO SENIORS, con't.

position will be another hard one to fill.

BILL BERG - The 'talker' whose constant chatter made many an opponent jumpy during a game. He's one who tries hard and doesn't give up easily.

RON TEAGUE played only football during his highschool career, but there are many football players who wish they'd only heard of him. One of the toughest to come to WHS.

We would also like to salute DAN NEWTON who played football, JAMES SCOTT who played golf and baseball , and DAVE LADD who played football his freshman year.
